FESTIVAL RIDER

Facts & Conditions, Festival Technical Specifications and Riders apply as Festival Rider to all bookings made for our festival and this is an integral part of the Performance Contract. Technical Specifications are subject to change and available online. Changes will come into effect with their publication: lacnoir-schwarzseefestival.ch/download

SOUND LIMITATION

DECIBEL LIMITATIONS: 100 dB (A) leq60 at loudest audience point

The report of sound measurements of each concert
will be sent to police, as requested by law.

Annex: Ordinance 814.711
to the Federal Act on Protection against the Risks
associated with Non-Ionising Radiation and with Sound
Click [HERE](#) to view the ordinance.
